

## CONFORMTITY

I don't want to be like you  
I don't want to shut up  
I don't want to be a boring potato  
I don't want to be frozen  
I don't want to fall asleep  
I don't want to be a sheep

They want to change everything  
They aren't doing anything  
Every potato is a sheep  
They do and say the same  
But they don't confess

I'm not like you  
I don't want to have to prove it

*Hey where are you ?  
I can't find you  
In an army of zombies  
Same clothes same Nikes  
Hey where are you ?*

When I watch the clip  
I want to unzip  
I want to smoke and drink  
I want to dance like a beep

I want to be a pomme dauphine  
I want to be a french fries  
I want to be smashed potatoes  
I want to be a raclette  
I want to be a potatoe gratin  
I want to be tartiflette  
I want to be crips

I want to be myself  
No one else

## **STOP**

STOP the Bank corruption in Switzerland  
Stop the neo-nazi all over the world  
Stop the vodka in Russia  
Stop the prostitution in Romania  
Stop to under value women  
Stop to put kids in luggage  
Stop the soap in the rugby men showers  
Stop the simulation in football  
Stop the djellaba in Algeria  
Stop the discrimination in France

*Tonight give me your hand  
Let us be only one  
Against all that*

Stop the child labour in Africa  
Go on with demonstration  
Go on with liberation  
Go on with expression  
Go on with imagination

*Tonight give me your hand  
Let us be only one  
Against all that*

## AFRICAN MISERY

Earth is nothing more than a huge mattress where rich people have stolen the pillow  
But there's no time to rest because today poor men crawl like slaves  
Hoping that one day they'll walk like kings  
Who's going to set them free  
When we look in Europe we become a black key on piano  
An obvious minority  
Between wisdom and anger  
Between defeat and victory  
I sing my misery  
For you to understand my story  
Here we can't play guitar because our life hangs by a thread  
Those who are satisfied with nothing  
Don't need anything  
All right men  
But give me at least  
A piece of bread

## CHATIMENTS (MAN)

I wanna drive my car  
But you can't  
I wanna go shopping  
But you can't  
I wanna have fun, fun, fun.  
No, No, No, No  
Mama Mia let me go...

I... I want to be free just for once  
I want to feel free

Chorus :  
Hey what did you expect ?  
You're just a woman  
Don't touch, don't move  
Hey let me get groove  
ain't got no rights  
ain't got no life  
But I got my soul  
I got my mind

I wanna drive my car I wanna drive my car  
But you can't  
I wanna go shopping  
No  
Hey I will do as I please  
I want I want I want I want  
No No No ...

Come on Come on Come on  
I... I want to be free just for once  
I want to feel free

Do you want to know  
How Nutella is made  
After that you'll regret  
That you ate some

Hey you ! Think about your breakfast  
The palm oil you finish first  
It's you who put the money  
For this powerful company

This terrible story began with  
A poor little Amazonian tree  
This one is mutilated  
By humans divided  
Who only satisfy the rich  
Those only care about bad things

Hey you ! Think about your breakfast  
The palm oil you finish first  
It's you who put the money  
For this powerful company

They don't give a damn  
Companies kill the earth  
To fulfil their desires  
People don't understand  
The great Amazon rainforest  
Is suffering from this terrible behaviour

Hey you ! Think about your breakfast  
The palm oil you finish first  
It's you who put the money  
For this powerful company

Fed up with Amazonian exploitations  
That feed up monsters with palm oil  
We are bored of woodcutters  
Throwing out the population  
So we must gather  
To stop this slaughter
